The Premises:

Well appointed flat in an apartment block. Very good local parking. Note chargeable if you intend being longer than 1 hour and a half. Just be a customer of nearby store. As you enter the block you will notice how quiet it is and more importantly clean. An excellent environment in which to relax.

The Lady:

The lady needs little description as her pictures are on the website. As you would expect she is much prettier in the flesh. Long brown hair, soft to touch. Gorgeous eyes which engage you immediately and soft lips with an adorable cupid's bow that make them terrifically kissable. Slim petite with fabulous pert boobs entirely natural

The Story:

Slight mix up when I arrived waiting for a room. Carla met me in reception lounge wearing see through black baby doll and black g string. Began kissing and cuddling immediately. Explaining she liked to be touched something which I found very enjoyable. Moved to bedroom where we undressed each other, with further kissing and exploration.

She very quickly began touching me and starting to perform oral without. If her lips were great for kissing they were even better round my dick.

We had sex in several positions which was fantastic. Carla is everything her online profile suggests. For fans of GFE she is a must. Just remember guys I would like to be able to get to see her from time to time, so don't take all of her time.
