The Premises:

Flat close to a casino in London. Parking quite difficult to find.
Nice room.

The Lady:

Lithuanian brunette. About 5'7 and average size boobs. Quite plain and simple looking, girl next door.

The Story:

Looks wise, she's probably no beauty, although i dont mean to say she's not attractive. Service wise, this girl is up there with the best.

Her English was good, and evrything flowed naturally.

Owo was superb and she gulped a weeks spunk down without any hesitation. No spillage at all, and no need for any tissues.

Round 2 started with her sucking deeply and then moving onto a 69 with me probing my tongue into her sweet tasting pussy.

Finished with doggy style. Only complaint was the creaking bed.
