The Premises:

Very difficult to find flat not far from Liverpool Street.

Very discreet and posh.

Parking not in the immediate vicinity but not too far.

The Lady:

Tall Russian brunette. Very nice figure. Fit and firm, though boobs were a b cup. Few tattoos.

The Story:

An oriental maid opened the door to let me in, and i thought i was in a parlour!

Veronica entered shortly after, and i handed the money over.

Initially, when she stripped, i was a little disappointed, as she had a large tattoo on her lower back, and a few others. I'm not turned on by tatoos to say the least.

However, i was pleasantly surprised by her willing attitude, and eager to please attitude.

Can't fault the service in any way.

Very deep oral (without) which ended in c.i.m, and then onto shagging her in almost every position imaginable. She took a very good seeing to, and afterwards thanked me for the workout and complimented me on my pornstar physique.

I said i know.
