The Story:

Was greeted by the maid on arrival and shown to a back room and offered a drink which I gratefully accepted. Five minutes later Amy came in and we greeted with a kiss. Looked stunning dressed in black lingerie and stockings. We chatted for a while before I was taken to the room where I chose what Amy was going to wear for the session (not that it stayed on for long!!!)> Amy soon returned looking a million dollar secretary. The session started with foot and leg worship before I was teased whilst strapped to the cross. Barely being able to hold myself it was then over the bed for a spanking and a session with a small black strap on before being 'ordered' to pleasure her with my tongue. Finally finished with her on all fours and taken her from behind. A great session. Thank you Amy. I'll be back!!
