The Story:

Jodie is very bright and is easy to talk to. She offered me a drink as we settled the business aspects. After a kiss and cuddle on the sofa she invited me into the bedroom where we undressed. She has a delightful figure, slim with small but well formed breasts. Her nipples stand up beautifully when they are sucked. Jodie loves oral (with) giving and receiving. There was plenty of arousing foreplay, lots of kissing licking and stroking. We started in the missionary position, moved to doggy, her on top then back to missionary to finish. She likes nothing better than a man between her legs. Finish was explosive and afterwards no rush. She loved lying down being stroked as we calmed down. A lovely lady in all respects
