The Lady:

Gorgeous lady with long blonde hair, lovely eyes and a voluptuous figure with a fantastic 40DD bust. If you're looking for a stick insect then forget it. Trisha is a big girl, but in ALL the right places. Also she wore thigh-high black boots - really sexy!

The Story:

From the moment I entered the room Trisha was warm, caring and responsive with lots of kissing and cuddling as we got acquainted and undressed. There followed some fantastic OWO including some very horny rimming and special attention for my balls which got me really hard. I then went to work on Trisha's pussy which tasted delicious and she seemed to enjoy it as well.

On with the cover for some serious fucking, starting off with Trisha on top so that I could play with those fantastic boobs. Then we moved to doggy and Trisha went at it every bit as hard as me. It was awesome watching her lovely round ass moving back and forward in doggy and listening to her encouragements getting filthier as she neared her climax. We both came together and it was a real knee-jerker for me - superb! Trisha informed me that she hadn't come doggy-style before and that made me feel even better as I'm no great shakes lengthwise but something seemed to hit the spot just right for her.

A quick look at the watch told me that I'd only been there fifteen minutes and I had paid for the full hour. I needn't have worried. We lay laughing, chatting and kissing on the bed for about half an hour and this part of the visit for me was just as important and enjoyable as the sex. Trisha made me feel really special the whole time and took a genuine interest in making the experience as enjoyable as possible.

With my time almost up Trisha went to work again with some fantastic OWO. She had me rock hard very quickly, but just when I was feeling that a second load was going to be beyond me, she proceeded to give me a little show with her vibrator and encouraged me to wank over her boobs. I

don't know where this load came from but Trisha loves cum on her tits and I was only too happy to oblige. By the time we got cleaned up from this session I realised that I had now gone thirty minutes over time and Trisha was still as enthusiastic and attentive as she had been at the beginning. She is certainly no clock watcher.

All in all a fantastic experience with a wonderful lady who genuinely enjoys what she does and will do all she can to make sure that you enjoy it as well on every level. Trisha told me that she hadn't had as many visitors as she had hoped for during her time in Belfast. Well, much as I'd like to keep her all to myself, this lady will give you a superb time - a true GFE, a great laugh and brilliant sex. I can't recommend her highly enough. Incidentally just before I left, Trisha introduced me to her friend Heather who was in an adjacent room - another lovely hot and horny lady definitely worth a visit. Maybe a threesome next time girls, eh? Please get back to Belfast quickly!!
