The Lady:

Shana is Gorgeous! Her photos on the web site are accurate and appear neither retouched nor enhanced in any way I was glad to discover. I think she looks even better in the flesh. Feminine and sensual.

The Story:

When Shana opened the door and let me in I had one look at her and knew that this was going to be a great punt. This girl is beautiful! Although the website says she is Czech, I learnt that she is actually Russian but probably has some Kazakh blood as she does have somewhat Oriental looking features. Silky smooth velvety soft skin. Slim, firm and beautiful!

She is very feline in her movements and extremely sexy!

Shower, soft sensual massage followed by BBBJ and doggy which were all performed well. The sight of her sexy arse and legs that go on and on were enough to get me to cum massively!

Shana and I must have clicked well. She made me feel like I was with that girlfriend that the other guys would be drooling to have, only she was mine. Well, at least for that hour.

Treat her well and you will be rewarded by multiples in kind.

I will definitely return.

One of the best WGs in London these days.
