The Premises:

Well described before, had phoned ahead to see who provided CIM in price and Abby and Jenny did so. Arrived and 3 girls free plus Karen herself was there doing her "owners" duties. Shown into upstairs room at top of stairs, nicely appointed, jacuzzi in corner, had a shower in upstairs bathroom, had a fight with the controls, so mostly a cold one!

The Lady:

Abby is blonde, slim, tall, elegant, B cup, shaven. Wearing a slip, plus bra and thong, tasteful.

Facially, perhaps not the prettiest of girls but a lovely manner, very relaxed, great personality. Does everything but watersports and anal.

The Story:

As in my previous 2 reports on this circuit of GB, I was hard and ready when she appeared, straight into OWO, very good at this plus use of teeth on helmet quite nice, but can leave little marks under the delicate skin of your cock!

Had some doggy sex, rimmed her then finished off in her mouth, plus my favourite "after dinner" aperitif, a snowball!

Yet again, Karens, "Does what is says on the tin"!
