### The Premises:

Quiet area back of Earls Court 2..Flat on the ground floor..Place was clean and tidy, the area felt safe.

### The Lady:

Samantha is tall (5'8")?? very slim and attractive. Small pert breasts with long nipples and a really nice bum. She greeted me with a smile and was dressed in stockings and a nice "teddy" - ready for action. Pics on the website do not do justice she is far sexier in the flesh.

### The Story:

Offered a drink of wine once the present had been sorted. We then made our way to the bedroom where I had a wonderful time. All services on offer, OWO was wonderful her technique certainly takes some beating. I tried different position, mish, cowgirl and finished doggie looking at that great butt! The price might be off-putting for some, but I found this girl to be charming, intelligent, sexy and willing to please on all accounts. Not a clock watcher either we ran over time. I great experience with a great girl, I will certainly be back once the pennies are saved.
