The Premises:

Elizabeth's place is very comfortable and situated in a very safe area of West London. Parking was easy to find, just a short walk from her front door. Although the entrance is on the street, it is reasonably discrete.

The Lady:

Elizabeth is well described on Judy's web site, although I'm not too sure about the new pics ... I just don't think they do this lovely lady justice! She is a mature lady with a lovely figure and a very pleasant personality who welcomed to her place with open arms and a lovely smile. She is witty, intelligent and downright sexy! She was wearing a sparkly top that showed off her cleavage to perfection and a long loose fitting skirt and high heels.

The Story:

Elizabeth met me at the door, a quick kiss, cuddle and led me up the stairs. I immediately knew that this was going to be a great visit. We sat chatting on her sofa in the lounge for about 5 mins, identifying common interests and passions. This was intermingled with brief but passionate kissing and she draped a thigh across my groin that got me erect. She is a very intelligent lady who holds a good conversation: one minute we're in serious discussion, next my shirts opened, trousers are off and she's on the floor nibbling at my stiff cock through my knickers. Next she took my knickers off and just popped my cock into her eager mouth. Her BBBJ was fabulous. Wonderful technique. She took me deep, hands free (which I love) then licked my full length. She nibbled on my balls and gently stroked me. I remember thinking, "If I met her socially I'd want to get into her knickers and here I was minutes away from doing so!" Then she led me by the cock into the bedroom and told me to lie down on my back. She removed her top to reveal a gorgeous pair of tits encased in a basque. Then the skirt came off and underneath was a pair of stockings and a sexy pair of black panties. A very sexy sight indeed. She removed her heels and jumped onto the bed and made for my cock again, loads of sucking and licking. Then she asked me to roll over onto my front and she began licking me from my earlobes downwards. She reached the base of my spine and continued onto my bum cheeks. I was in heaven. Then she got her tongue between them and very gently licked me, not rimming but more sensual and arousing than that. Then she went further and licked

my balls. Then it was over onto my back and she straddled me so that her panty clad pussy was pressing against my rigid cock. I reached up and released those gorgeous breasts - and what a pair. All natural and firm with very suckable nipples. I got her on her back and concentrated on her nipples sucking and licking each in turn - this she liked. Then I went down between her legs and nibbled her thighs just above her stockings. Elizabeth opened her legs and I went for her pussy. I sucked and licked her through her thin panties for a good few minutes letting my tongue gently slide in under the sides. Her pussy tasted lovely. Then I removed her knickers and her pussy was on full show. Her pussy hair is not thick and her pussy lips were glistening. I got my tongue in between them and just licked and sucked. Then I found her clit and it reacted to my tongue. I just kept on giving her as much pleasure as I could. Then she asked me to surface, and came up and fastened onto one of her gorgeous nipples, Elizabeth fastened onto the other for a mutual suck. Then she was down on me again, sucking my cock deep inside her mouth. This got me hard again and she applied the rubber. She lay on her back spread her legs and guided me into her wet juicy pussy. My cock entered her and she was hot and wet and I just went for a lovely slow session in mission. After about 5 minutes of eager thrusting and writhing I came inside her and we fell into each other's arms. What a fantastic shag and what a fantastic woman!. After a quick shower I found Elizabeth reclining on her sofa in the lounge - she was wearing a black dressing gown and little else. I got dressed and joined her on the couch. My time was up but she didn't ask me to leave. We sat chatting for ages and when she realised the time she gave me another session of deep sensual sexy horny kissing and it was time to go. She stood up and backed that lovely bum of hers into my groin and my cock just reacted. Hard again. I reached round and got her lovely big tits out and just started to play. Then we edged our way into the hallway and I slipped a finger in between her pussy lips which were still wet and she stuck her tongue down my throat. Then she gave a big smile and asked me to go!! It was a lovely way to end what had been a fabulous afternoon for me. Judy's agency has unearthed some fabulous mature ladies - Chloe is a legend and Aimie is not far behind but I'm willing to wager that Elizabeth will give both of them a run for their money. Elizabeth, thank you for a great time and although I don't get along the A40 that often, next time I do I will return - there's so much that we DIDN'T do! Tom. x
