The Premises:

Very pleasant flat in a good neighbourhood with a large bedroom.

The Lady:

Blonde shoulder length hair, very slim, 5ft 6ins, 38C with an extremely pleasant personality. I knew we would hit it off within minutes of meeting her and not just because we are both Capricorns!

The Story:

An excellent massage, much mutual cuddling and caressing, her "body to body" was out of this world and we finished in cowgirl to a mutual simultaneous climax (definitely!) She clearly was not a clockwatcher and we went well over time (it was not until I had left her flat and looked at my watch that I realised just how much over time. This clearly is an experience I must repeat.
