Terraced house in a little town between Exeter and Newton Abbot. Very safe area and the house is very clean and tidy. The room where you worship has a mystical shrine like feel for the Goddess Kali

Extremely beautiful, dark flowing hair, fire in her eyes, ample bosom, super model legs, very erotic, wild looking woman

The Story:

It has been a while since i last saw Mistress Kali, too long! After greeting me at the door i was made to strip to my underwear and kneel face down on the sheepskin rug facing the mirror. Sometimes i can feel quite humiliating. Then i was blindfolded and told to ly on my back while i had hot candlewax dripped on my body and only stopped once i had made a wish and blew the candles out. Then was given the treat of having Mistress' breasts rubbed over my lips, then she sat on my back and rubber herself turning herself on at my expence not that i mind. Then kissed her bottom all over before having my face pressed into her crotch. Then i was deemed worthy enough to put my finger inside her to make her orgasm after which sucked on my finger so i could taste her. My blindfold was removed and i was allowed to admire her beatiful body as she posed infront of the mirror. Then she left a note on my chest so i wouyldnt forget the homework ive been set and left her mark on my bottom before i left.
