The Story:

The worst punt ever!!!!!!! Receptionist took the money and took me into a room. Shower in the corner but not offered and TV video switched off.. Jade eventually arrived sniffing and complaining about a cold. After confirming I wanted W/S we started with a massage but couldn't have oil "cus got none.". Then went to W/S which was what I wanted. Then moved on to sex few different positions. Jades heart wasn't in it and kept asking me to cum and yawning. She finished me off, got dressed and texted her mate, still no offer of shower use. She then arranged the towel she just pee'd on for the next punter to lie on.

Should of bought the Sport and done myself, better and cheaper.
