The Premises:

Usual shared flat in Earl's court, a few mins walk for tube. I've been to this street a few times now and had no trouble parking. Nice room.

The Lady:

Slimmer and younger looking than the photos suggest (which is a nice change) with a great body. Short dark hair, clear blue eyes, body is firm and smooth. Excellent attitude as well.

The Story:

How I was able to book this girl at the last minute on a Saturday night, I'll never know. This girl should be rushed off her feet - great looking, a sexual dynamo, the right attitude (it may be a job, but she's going to do it well!), very physical and is interesting to talk to. Round 1 was quite restrained and I was thinking that things were 'so-so', but round 2 hit the mind blowing territory.

Chaps, treat her nicely and treat yourself at the same time. This is one to enjoy!
