The Premises:

Neat, tidy 2bed flat on an estate, which she shares with another girl. 5min off M5 Juct 30. Good, safe residential neighbourhood.

The Lady:

Definitely attractive, early thirties blond with an inviting smile.
5'4", size 10. Perfectly enhanced 34D(which she is justly proud of),
sexy bum.

The Story:

Saw her ad and thought I'd give her a try; pleased that I did. Welcomed in by her dressed in low cut white top and black skirt. Went into bedroom, got the money bit done. Her friendly attitude immediately puts you at ease.

Started standing with kisses and mutual gropes, which lead onto undressing each other. Then onto bed for more and removed her pretty white bra and pants, while she played with my cock. Explored her responsive nipples and clit (pierced). On with condom (expertly done with mouth and hand) for 69, which really got me going. Just had to fuck her and we went through a variety of positions. Think she likes cowgirl best as she came playing with her clit. Asked me how I'd like to cum and I went for on top. With her thighs wrapped around me and her responsive pussy I soon came. A really satisfying GFE
