The Premises:

Terraced house at south end of town. Clean, adequately furnished but obviously a working address rather than anyone's home.

The Lady:

See their pictures (no faces) on the web site. Don't expect supermodels, but both are attractive ladies in their early 40s. They were dressed in the proverbial Little Black Dresses, though I'm sure they could have worn other clothes if I'd asked.

The Story:

I don't want to go into too much detail, but R & R engaged in OWO with each other and myself, there was a good deal of rubbing, stroking, poking, licking etc, and a half time cup of coffee. CIM with Robyn, sex with Roxanne (who by that stage was very flushed with excitement).

I'd have liked more in the way of toys (maybe a strap-on) but they only had one dildo, which we didn't actually get round to using. I think maybe Robyn brings equipment and clothes in as requested rather than keeping them at the house.

I have seen Robyn before at her former flat (in another part of Kirkcaldy) but not Roxanne who seems only to work as part of this double act (which is a pity).

The whole experience was expensive, but fun; I never had the impression that R & R were just going through the motions.
