The Premises:

Nice, clean establishment in a decent area. Reasonably discreet to enter.

The Lady:

Probably in her mid-40's, quite short and a bit on the tubby side. However she does possess just what I like in a woman - a HUGE pair of tits!

The Story:

Have seen Emma a few times at this place, and always get a great service. She is very friendly and puts you at ease.

Started off with a nice massage though must admit it didn't go on for very long as I couldn't wait to turn over and get to grips with those enormous boobs. Played with them while she slowly wanked me till I was standing to attention. Then on with the condom for an excellent covered bj. After a while decided enough was enough and got up and bent her over the massage table and gave her a good seeing-to from behind. Soon felt that feeling so I was back on the table and she wanked me off till I dumped a bucketful of jizz all over those fantastic big tits!
