The Premises:

Her place, first it was going to be Gloucester Road, then changed to Bayswater and after a pint in a pub in Bayswater waiting for a call it changed to South Ken. Finally got there and bumped into Meg in the lift. Flat? Shower and bed. Fair enough.

The Lady:

Very nice, beautiful looking but not dead sexy. Web site photo's are accurate.

The Story:

Very pleasant and chatty to start. Into great BBJ before I knew what was happening, made up for running around West London for.

Then into Reverse Oral, nice enough before cowgirl and missionary to finish. Left thinking that was a good time with a beautiful girl.

On the whole. Very good but not ?250 worth of good. At least not for an hour of private time. Think I would have been in a better frame of mind if I hadn't had to chase around London after her.
