The Lady:

Caitlin Cox and Crystal were working today. Both quite popular on the party scene. Caitlin Cox about 5ft 8 slim, blonde, awesome body. Crystal another stunner, blonde slightly taller than Caitlin supporting a boob job. Simply sex on legs this girl!!!!

The Story:

When I arrived there was about 8 guys already there. Had a quick shower to cool down then was straight into the action. Caitlin picked me to be her first victim showing of her amazing oral technique. Later got the same with Crystal while she was being fucked by a guy and having her plastic boobs fondled by two others.

Enjoyed a shag with Caitlin later on and also a mind blowing fuck with the dynamic Crystal.

These two are simply the best party girls around no denying that.

Steve does run some great parties. Maybe he can get these two to do more parties often. The only downside I would say is if they could maybe get a few more towels placed in the shower room!!!!
