### The Story:

This was my first time with this agency and they organised the appointment very well at short notice.

Camilla was happy to see me and greeted me like an old friend.

Once the finance was settled and a drink provided, Camilla wrapped her arms around me and we kissed. This led to me steering her on to the bed and continuing to kiss her all over her body. I began to pay her special attention with my tongue and Camilla sighed, moaned and wriggled contentedly, becoming very wet. Encouraged, I continued to suck and lick her until she had an orgasm. This turned me on. More so, when she kissed me afterward and licked her own juices from around my mouth. She then told me it was my turn and proceeded to give me a prolonged BBBJ, teasing my cock and bringing me to the brink a couple of times, before finally, I exploded in her mouth.

Camilla went to the bathroom and returned to the bed shortly. I was unable to summon the energy for round 2, so we spent the remainder of the time cuddling and caressing each other until I had to leave.

I enjoyed the session and would happily return for more.
