The Premises:

Excellent new apartment in the heart of London, stones throw away from underground and mainline stations. Spotlessly clean with two bedrooms for the fun and spacious lounge for those moments of rest and recuperation.

The Lady:

Lady Marmalade, sadly only hosting and not playing. The three girls playing were Hannah, lovely slim English rose and horny as fuck. Gina, very sexy Czech girl with great come to bed eyes. And Richiana, tall, slim, ebony lady who simply has the most beautiful body in the world and insatiable with it!!

The Story:

Tried other parties but Lady M quite simply does the best. Low ratio and with stunning girls who just love to party, simply the best value around. As usual a warm welcome with drinks and refreshments readily available. With the valuables quickly locked away for safe keeping everyone was soon showered and robed. This week's theme was naughty schoolgirls and the ladies

certainly were naughty. Looking very sexy in their outfits we took very little persuasion to follow them to the bedrooms, were the outfits were quickly discarded and the fun began. Had the pleasure of seeing Richianna first, received excellent oral before on with the rubber and took her from behind while she sucked off another guest.

With such stimulation wasn't too long before I came and time to lie on the bed to recover watching the girls have their fun. Wasn't too long before some excellent oral from Gina brought the old man back to life and again it was on with the rubber, me on top this time and a great fuck with us both climaxing together, top job. Time then for a quick break and a chance to talk and catch up with Moss, who again provided a steady flow of drinks and excellent company. No rest for the wicked though and it wasn't too long before I was dragged off by Hannah. She has the most wonderful pussy and spent a happy time licking her out. She is truly horny and came several times. She really loves to party. Once she was satisfied we finished up fucking with me on top.

A fantastic party where you are made to feel very welcome and no rush. Next time, I will try and pace myself over a 4 hour party
