The Premises:

Nice, large anonymous block of flats in Chelsea- many many punters will know which building I'm talking about.

The Lady:

Stunning, tall brunette with fab eyes and a nice, large man-made bust.

The Story:

Had a shower, and it didn't take long for Marianne french kiss and then BBBJ me, followed by me taking her from behind.

Finished the hour with a bit of chit chat before heading off.

I never asked for any of her more esoteric services as I was a little too shy to ask. Will definiteley return and pluck up the courage to ask!

Had a fantastic time with a lovely girl.
