The Premises:

Clean & Tidy walk up in the Devonport area of Plymouth. 4 massage rooms in total. A bit clinical but clean. This establishment is on a main road but that doesn't really put you off.

The Lady:

Very very attractive 19/20 year old, brown hair wih sexy blonde streaks. Beautiful pert breasts and an ass to die for

The Story:

Well what can I say.....Sasha obviously reads her reviews and remembers everything in them (see my last post about her). After the usual exchange of money and lovely and relaxing back massage the first thing Sasha did was plant a beautiful sexy kiss on my lips. I love to kiss and she certainly knows how to as well.

After a bit of a snog Sasha then rolled a condom onto me and started to give me oral. She then asked me to get on top of her and give her a fuck so we could still kiss. The sex was fantastic!! She loves what she does and so do I.

Now i'm not some sado who cant get a girl but why spend a fortune going out and having a one nighter when you can spend 60 quid with one of the most beautiful women in Plymouth
