The Story:

This was a great punt. Max had placed a note on Punternet proclaiming Tammy to have the #1 BJ in London and I just had to investigate this personally. I contacted the agency by email and quickly arranged to meet Tammy. She was everything I expected and more. She has stunning looks and a great, cheeky personality. I couldn't wait to get her unwrapped. Lengthy OWO (nice tongue-stud btw) was followed by sex in numerous positions. CIM was provided enthusiastically. All I can say is that if you like BJs (and who doesn't?) you should definitely give Tammy a visit.

One thing I'd like to add is that Max and his team provided the first class service I'd expect from such a respected agency. Tammy herself was full of praise for Max. That's a big deal for me as I always prefer meeting girls from agencies where there is mutual respect between parties.
