The Premises:

her place was immaculately clean, the location was in a nice secure area. parking was good and safe i did not feel unsafe at anytime.

The Lady:

good looking mid 50's. dressed as requested as a secretary in a short skirt with black stockings and suspenders high heel shoes and a lovely blouse. her legs encased in the black stockings looked very horny as she has very shapely legs indeed.

The Story:

we started with a glass of wine and general chit chat, after a while we had some kissing, not what i would call french kissing but quite passionate. we then moved into the bedroom where we undressed with more kissing. this was followed by a sort of back massage if you could call it that, then rolled over to a bbbj. not the best i had had but reasonable. i then licked and fingered her pussy with some anal fingering although she told me she does not do anal sex. snap!! niether do i. after a while i sucked on her very responsive nipples small tits but lovely nipples. she then proceeded to suck my cock again. I accidently came in her mouth which i appollogised for but she did get me very excited with the bbbj. she was not the punt that i had read about which made me visit her. perhaps she was tired or we just did not connect. there was no second round offered so no penetration what so ever. i viewed i visited but i will not be back. i will re read previous field reports again just to see if it was me or perhaps we did not click. not a gfe as had read and expected. i did not want a lover just a good time for what i paid for. i might recommend to others but it is a lot of money if you are not satisfied with the service

Service Provider's Rebuttal

The lady writes, "Appointment was made at short notice, nonetheless I aimed to please. I'd have been happy for cum-twice in session but client didn't get hard again despite my efforts, I chose not to say anything in case he felt humiliated. At the time of this report I didn't offer either Anal or A-Play so I was surprised when client's finger entered my rear roughly without lube."
