The Premises:

Her apartment was very neat and tidy and decorated in a very tasteful and elegant way. It is located in a very good part of town

The Lady:

She is approximately 5'8-5'9 with blond hair. She has natural large breasts (34FF)! Her figure is superb with excellent poise. She was very elegantly dressed with very sexy designer lingerie. She obviously takes care of her figure and the way she dresses

The Story:

After the initial few minutes of settling down and getting to know each other she slowly undressed me and I returned the favor. I then went down on her and gave her oral before assuming the 69 position. This lasted for a few minutes before I entered her in the missionary position before she got onto all fours and I took her doggie style which we both enjoyed with me almost having an orgasm. She then lay down on her front and I entered again before climaxing. For the last few minutes I kissed and caressed her breasts. The only problem was I made a big mistake in only seeing her for one hr. The next time I see her it will be at two hours.
