The Premises:

A very well known up market building, within a few minutes walk from South Kensington tube station. Felt very safe and although the one bed apartment was quite small, it was very clean and tidy.

The Lady:

Amy looks exactly as she does in her photos, absolutely gorgeous. She wore as requested, mini skirt, heels, hold up black stockings, tight blouse with plenty of cleavage showing. And what a cleavage she has! Her boobs are perfect in everyway. She had a golden all over tan, that looked like she had spent a month in the Carribean. Although she told me she is usually darker than she was.

The Story:

I won't go into detail about what went on, but to sum it up, Amy was 10/10 in everything she done.

She pushed all the right buttons. I think you would find it very hard to find any lady better than her.

It was a total GFE was the very start to the end. Thanks Amy for one of the best hours of my life. You are a sweetie, and will come back and see you and that perfect body very soon.
