### The Premises:

Hayleys Whitfield is located in a converted store along Bury New Road, about a minute's drive between both the highway and Sandys Prestwich. The best parking is just off the main road, as this is more discrete and in a fairly safe residential area.

Inside, I was welcomed by an attractive receptionist, who ushered me into a plush reception area decorated in a slightly traditional style. After a short wait, I was booked upstairs into a clean and well-equipped room whose distinguishing feature, alongside the standard TV, normal shower and piped music, was large panels of mirrors on all 4 sides. One major misapprehension which I had about Hayleys concerned the beds, as early FRs led me to believe that they were clinical medical tables, but I was relieved to see that they're the usual double beds, just set higher off the floor than normal at about waist level height.

### The Lady:

Patrice is an attractive lady in her mid-30s whose overall beauty has, in my view, increased with time. The physical description provided in my FR from a year ago remains essentially the same, with the only noticeable change being more pronounced blonde highlights. For the appointment, Patrice wore a low-cut white top and jean type shorts, together with white shoes.

### The Story:

Following a shower, the session started by skipping the massage stage and going directly onto kissing. I think Patrice is outstanding at this, as she kisses with skill and very sensually. After slipping her clothes off, Patrice proceeded onto some excellent OWO, using her tongue to teasingly wind her way around my balls before proceeding to blow me with slow and fairly deep sucking.

Knowing that I'd look, Patrice raised her hips up and shifted her legs slightly apart, revealing her trim pussy reflecting back at me from one of the mirrors. I couldn't resist this view, so it was on to a bit of reverse oral, where I simply got more excited feasting on her clean and lovely oyster. After applying a condom, we had sex in several positions where, following the inevitable knock on the door, I climaxed while holding onto Patrice's hips doing it in doggy.

Overall, I had an awesome time with a lady who knows her stuff like very few others in this business can.
