The Premises:

Perfect directions from the friendly maid led me straight to the front door of the basement flat that has already been well described.

Had been told there might be a bit of a wait if I turned up without an appointment, and there was, but the reason why will be revealed a bit later!

The Lady:

I was ushered into a "boudoir" after a pleasant 10 minute wait complete with complimentary drink. Debbie appeared a few minutes later dressed in fetching black gear highlighting the girls voluptuous figure, the black thigh high boots giving her super sexy appeal.

She is a delight to look at and after the obligatory exchange of money for the agreed service she popped out only to reappear a few minutes later to "undress" me in front of the mirror wall. Even this simple task made me feel special and we were soon like real lovers engaging in passionate foreplay.

The Story:

Without going in to graphic detail I would just like to say that this lady is perhaps the nicest working girl I have ever met, at no time was I made to feel like a "punter" and we ran well over time as we played and chatted, however Debbie knows when and how to plug a mouth!

An awesome experience and one I would thoroughly recommend to everyone....thanks Debbie, you are a delight to be with and look at.
