The Premises:

Well reported place, my first time here so little nervous, very friendly made put me straight at ease with a glass of wine.

The Lady:

OH MY GOD, i thought i was in Heven! Julia is absoulutely stunning, her pictures do not do her justice at all. Long legs, tall slim toned figure, nice flat stomach (which i just loved)and a lovely pair of breasts.

The Story:

Went for a tie and tease domination session, lets just say "Mistress Julias" certainly knows how to tease and please you..... The best part was me fucking her thigh high boots from behind whilst my head wss buried deep into her perfect bottom.

A great time had, certainly be back. I think i have found the Mistress of all time!
