### The Story:

Sasha was a revelation, Crewe usually serves up quite a disappointing standard but Sasha was just incredible. Young blonde huge tits will get a visit from me every time. She was described as being part Brazilian but I doubt it.

Massage was a bit brief, might just be me but when your balls are groped within a few seconds its a bit dissapointing. That said the time spent just got better. Covered O only but what a technique then on to mish with Sasha legs wide open and high. Lost my load within seconds but who cares. Was impressed with the fact that Sasha then had a shower after me. She never tried to con any more money out of me and made me feel welcome. Can't wait to get back for more.
