Catalina is stunning. Slim lithe firm body, beautiful face with large dark eyes and a generous mouth. Erotic tatoo on her abdomen

The Story:

This was the second time I have seen Catalina. She is slow to get started, leaves the room to do things and talks a lot. However once she starts she is sensational. Beautiful to French kiss with a large probing tongue (she insists on sucking peppermints while doing this!). Likewise she licks and sucks sensationally. I found it hard not to lose control. Anal sex is beautiful as she allows full penetration and moves well.
