### The Story:

Firstly I must apologise for the delay in making this report, every time I tried this site was saying it couldn't take any more reports, so I have left it for a while, but felt I had comments that were of great value to most punters, and had to make this report sometime, as this lady deserves a great deal of commendation.

This was my second visit to this gorgeous sexy lady, and I can say without doubt she is one of the best WG's I have ever been with, so sexy, and good looking (provided you like very slim girls that is).

I booked Roxanne for 2 hours, but I can not remember how much for due to how long ago it was, I think about ?80 ph.

We had a fantastic time, Oral was fantastic, and the fucking was even better, she is so tight, it is like being with a virgin, yet unlike a virgin, boy she knows how to enjoy herself, and how to make your visit very worthwhile.

She is that good my usual restraint went out of the window and I ended up cumming earlier than I planned despite lots of foreplay etc(just after 1.5 hours), but once I cum that is it for a while, and I explained this to her, and she the proceeded to say that if I wanted to go early she would give me some of my money back, and she did, bet there are few WG's that would do this, yet she insisted. She said it was the only fare thing to do.

I went away having had one of the best fucks ever, and also feeling that I hed dealt with a lady with integrity, who should be treated well and deserved all the praise I could give her.

Circumstances are against me seeing this lovely lady too often, but I can assure you when the

chance comes I will definately be seeing her again, that jesture she made meant a lot to me and I am sure would mean a lot to many of you reading this. This lady is more than good at her job, and a nice person too, and to be honest and decent as she was she deseves a lot of praise
