The Premises:

Clean apartment quite close to Marylebone Station. Safe area. On top floor and there was another girl working on the lower floor.

The Lady:

Just as in the pictures although she has put on some weight since.

The Story:

Arrived about 45 mins late due to late train. Had a shower and Emily had prepared the room by putting some candles and music. She complimented my body in very good English and we started to get to serious things. Best BBBJ I ever had. Deep-throat and she loves it! She started to put in finger in me gently and made me come by sucking me. No CIM however!

Then we talked a little. Really nice to talk to her. Then we started to make love (covered of course) in a variety of positions. Really good! This girl has energy! She then finished me off with another BBBJ. She was probably ready for another round but had to go as I needed to catch a train! DAMN it! ;-) She accompanied me to the door and kissed me goodbye...
