The Premises:

Victoria House as ever - spotless, drinks offered (soft ones only) clean towels, really do not know what else you could expect.

A comment was made about the pricing which all VH regulars should already know, the amount above included use of the VIP room, and full service, there is a price band system which kind of goes 1 service costs x much and full service cost xx much. no discounts are offered if you simply want a blow job, this will cost the same as sex.

The Lady:

tall, slim, well formed breasts, lovely to look at hold and to suck on. peach of an arse, very kissable, you really need to see her to appreciate her

The Story:

started with a pole dance which was very nice, we then moved on to the bed for the massage which really unwound me, did I nod off, not quite. then into the action, all I shall say here is that Sophie tastes divine and I could easily have spent the full 30 minutes just lapping, but lets just say I sampled all on offer and fully enjoyed every moment, strangely it felt as though we had a lot longer than the 30 mins, maybe we may have overrun slightly, I certainly was not watching the clock, sophie is much nicer to watch. Until the next time Sophie.
