Slim pretty French babe

The Story:

Celine is young pretty and French. She has large unenhanced breasts, a slim figure, nice legs and a plump pussy. I heard the receptionist (a very pleasant lady who made me feel comfortable while I waited for Celine) reply to a telephone enquiry that Celine doesn't do owo, and even though I hadn't made my choice of girl at that stage, and I am fairly hopeless with condoms, I still chose her. She looks fabulous on the web photos, and certainly ain't bad in the flesh.

After my shower she stripped to her g string and I played with her tits and sucked her nipples while she sat astride me. She kissed me lightly (no tongues!) and played with my cock. I got to lick and finger her and she was tight and wet. Then a bit of a covered blow job (I don't like condoms) and following a liberal application of lube, into doggy followed by mish, then spoons, then my favourite which I will have to look up the name for, if it has one - me kneeling with her on her side with one leg on the bed and the otheroh, it's too complicated to explain, but it allows me full view of the action. Then off with the condom for a final wank while she stroked her nipples and watched, and I came on her hip.

She was attentive and accomodating, smiled a lot and chatted in her lovely French accent. She showered after me which is reassuring.
