The Story:

Sacha so quickly put me at ease with her chatty manner and superb eye contact. Within minutes it was as if we had known each other for ages. Am not going to go into great detail other than to say her website pictures don't do her justice and the lady certainly knows how to have fun. Comes in the top five of all time great punts and I will return in the near future. Thankyou Sacha for such a great hour of fun and sex.
