The Premises:

Corner house, with only a back entrance. Quite easy to find, with lots of close parking. Rooms were clean and resonably decorated, though a bit small, but they have got a double bed and sofa in.

The Lady:

Isabell is just as described on the Webpage. Attractive, with a great personality and humour. And as it says on the Web, big Boobs; all round a solid girl, which was just what i was after.

The Story:

Had Full Personall Service, which is ?12 for room and ?60 for Oral and Sex. Meant to be 30mins, but nobody was counting. Back massage with her melons all over me, and my arse being tickled. Then front, with lots of kissing and cuddling. Fantastic Oral, then ate her, then asked for 69, at which she offered "Deep Throat", and it was, and she made me come with no Hands. Short rest, another massage and onto full sex, and she was noisy. What a time, will come again.
