The Premises:

Exceptional! The Gallery is the finest establishment around, top quality rooms and facilities, safe parking.

The Lady:

About 5'5" very attractive Portugese girl very slim with massive tits about 36dd floppy not firm.

The Story:

Ana is an exceptionally attractive girl, however her service in the room is a little cold. She knows how fit she is and this detracts from the effort she puts into the service.

Started off with the usual back rub then oral (covered) then sex. She does not do OWO and you can not climax on her tits, which is one of the reasons for going there!

Very chatty but a little too regimental in her approach. Will go back and try some of the other girls.
