The Premises:

A basement flat close to Anerley station, which is easy to find with a choice of front or rear entrances. I was immediately made welcome by Kelly the maid and offered a choice of drinks but declined the offer of a croissant as the day was so hot.

The Lady:

A voluptuous, green-eyed, buxom, brunette lady who just oozes sensuousness.

The Story:

Debbie immediately told me off for starting to get undressed ?that?s my job? she insisted.. We immediately launched into a full-on snog, whilst Debbie took the occasional breath to loosen my belt and drop my trousers. At the same time I was fully appreciating and enjoying Debbie?s fulsome derriere. Then it was full strip and onto to the bed ready to get really dirty! Debbie paid ample attention to my nipples, as requested, and then to my (covered) cock. The use of her teeth was especially erotic. Then, after I had rather gently taken my hand to her most smackable of bottoms she exclaimed ?Is that the best you can do??. It transpired that Debbie is rather into having her bottom reddened! Indeed after a few smacks my hand was almost certainly stinging more than her bottom! She then invited me to use a multi-stranded device on her, I?m not normally into S&M but I think it may be known as a ?flogger?. I was truly surprised at how hard she could take it, and how much pleasure she got from having her bottom reddened, she kept asking me to feel it, remarking how cool it still was!

Well with both of us suitable aroused I suggested doggy and with Debbie kneeling on the edge of the bed I pumped away at that beautiful red posterior, before climaxing all too soon!

Thanks Debb?s for a truly memorable Sunday afternoon!
