The Premises:

Basement flat near Baker St. I didn't see much of it but Maria's room was clean and pleasant.

The Lady:

I found Maria's photos on the Lilyfields site (and various others) sexy and was not disappointed when I met her. She has changed her hair-style since the photo-shoot. She has a very petite, fit young body and is realistically portrayed (although the 34C bra-size is something of an exaggeration).

The Story:

We started out with the customary massage and when I turned over things certainly started to hot up. Maria took my stiffy into her mouth and gave me a very nice bbbj. I enjoyed this for several mins before it was condom time and Maria climbed on top and rode me to a nice climax. Her English is somewhat limited but if you speak Spanish or another Latin language she is a pleasant girl to chat with. When I felt ready for more, we cuddled and caressed for a while. After she had fitted condom #2, she lay on her side, pushed her little arse back against me and slipped me into her. Wow, she was tight in this position and I had no trouble coming a second time.
