### The Premises:

The hotel was fine, with good parking and easy access. It was easy to reach. Being a hotel, safety was good.

### The Lady:

Lara is a slim lady in her mid-30s with long hair, a beautiful face and figure, and laughing eyes. Her site photos show the physical aspects, but cannot get across the happy grins and devilment!

### The Story:

I have met Lara on several occasions, and each time is a lovely experience. She (quite rightly) describes herself as classy and articulate, but she has stunning looks, is great fun, and two hours with her just flies by. (At first, I had to think seriously about arranging a date with someone for a minimum of two hours....but I'm so glad I did. Lara is really worth seeing for as long a time as she - and the savings - permit.)

This date was limited by my diary, which was a shame, but even over three and four hours I have never been bored, nor have there been lulls...in fact, Lara's enthusiasm for what takes place is quite genuine, and a real stimulant! Especially her throaty laugh which starts when things are really warming up!!

With this lady I never feel other than totally happy and sated when the time comes to part. She is agile, inventive and genuine in her approach, it's great sex...and she's great company. I wish that my personal circumstances made it possible to wine and dine her before the other sorts of fun start.

Because she usually only sees one person a day I've had to arrange dates well ahead (for personal reasons), but I'm looking forward to her experiment with offering incalls occasionally! At least that will mean that I won't have to book a hotel or wait for 'Er Indoors to be away! Lara, many thanks, yet again, and see you soon!
