The Lady:

The pics on the site are accurate and she looks even better in the flesh... Dyed blond hair, great figure, lovely boobs and nice firm arse.

The Story:

Booked Pam for 1.5hr after looking around for a busty blond with good reviews and wasn't disappointed. She's got a great attitude, was friendly and welcoming. Was offered a shower first which I accepted so not to be rude.

Came out and joined her on the bed and got straight into it. Lot's of french kissing and groping. She kissed me all over and concentrated on getting my cock hard which didn't take much. Gave great owo just as a working girl should - this went on for ages and was great watching her slobber over my hard-on. Carried on with this in a few diff positions before unloading in her mouth. Which she took without a fuss.

Bit of a massage which by her own admission is not her speciality. Then onto round two - more owo and then onto some hard shagging, missionary, then doggy. She did everything I asked and am sure she would have done more if I'd asked for it. More owo and then got her to bend over and play with her pussy till I was ready to drop another load in her mouth,

Quick shower to clean up and off I went very happy.

Great to find a girl who delivers the services promised byt the agency/reviews etc which often seems hard to find !!

Will be back at some point I'm sure.
