Gorgeous blonde with perfect body [and teeth!]

The Story:

Very friendly girl who almost devours you - french kissing from the start. We soaped each other down in the shower - a new one for me and a good way to get to know someone. She then gave me a very pleasant massage and a bit of 69 followed. Unfortunately, the main event was marred by her inability to get the condom on properly! She apologised for not stocking the large size. So we tried it half-covered with her hanging on to my dick like grim death. This didn't really work, so she cheerfully offered to toss me off over her face. She was in fits of laughter when I got her in the eye. All in all, a good natured episode if a little incomplete. I probably won't go there again because Sarf London's a bit off the beaten track for me, but if I did I'd phone ahead for them to get the large condoms in
