The Story:

Pia by her own admission is someone who has taken to escorting a little late in life mainly down to having her sex drive suddenly come on. Pia is someone who enjoys sex a lot and she particularly enjoys giving and receiving oral. She was very wet when we engaged in mutual oral and was quite vocal at times and had to tell me to be a bit gentle when fingering her clit. We had sex in cowgirl and doggy and finished by hand. Afterwards we chatted a little before I left her to prepare for another customer in the afternoon. By the time I'd left my half hour with Pia had stretched to about 45 mins. All in all a very nice time.
