The Lady:

Very attractive 21 year old blonde, lovely face with a slightly shy smile, she wears very little make-up, looks great without it, nice clear complexion. She is fairly tall about 5' 8", slim and curvy, with an all natural womanly figure, bra size 36DD, dress size 12.

The Story:

Catalina returned to Babes this week after a break, I saw her photos on the website and took a fancy to her. She was sat at the bar when I arrived, and she stood up to say hello politely, offering her cheek for a kiss, she looked stunning in a light blue low cut dress. I told her that I was her next appointment, and she smiled broadly and invited me sit with her for a drink, and chat before going upstairs, she is softly spoken and we seemed to click nicely.

Catalina then showed me up to the room, asked if I needed anything and said she would be back in 5 mins. We started with a cuddle and some shy gentle kissing, then slowly undressed each other, more kissing and fondling. The onto the bed, Catalina crouching over me to kiss, and cuddled me with her full soft breasts, she then lay next to me, I assumed that she wanted me to take the lead, so continued to kiss her and explore her beautiful body, she seemed to enjoy being kissed from head to toe. I then asked her to lie on top of me, and cuddled her and fondled her nice firm squeezeable ass, and she became much bolder with her kissing, and gave me some nice body to body with her boobs, and kissed and licked my nipples. I then asked to give her RO, and she kneeled over me, facing towards me so I could lick and taste her sweet smooth shaved pussy, then on with the jacket, she does not do owo, and changed to 69, nice slow gentle oral from her. After a few mins she hopped off saying that she did not think that she would be able to come from my oral, she enjoys it but usually comes when she has sex.

Catalina then decided to take the lead, and she crouched over me and began kissing me, staying crouched as she slipped me into her very wet tight pussy, continued with the kisses as she slowly built up a nice rythm as she rode me with a sensual wet gliding action, her kissing now was quite

passionate. We continued for a while till she was close to orgasm, I told her to go for it, and she had a gentle but quite intense orgasm, kissing me very passionately, as she rested a while to recover, I could feel her vagina muscles gently squeezing and hugging my cock, lovely feeling. Catalina then rode me some more before saying that it was now my turn to get on top. She then laid back in mish and slipped me in as I kissed her, it felt really great sliding deeply into her, we had a long slow session in mish, with plenty of slow deep kissing. Catalina had her second orgasm, she clung tightly to me kissing my neck, then urged me to go for it and come as well, it did not take long before I felt the sap rising, and had a very enjoyable climax. We both rested for a few mins, lots more loving kisses, this was more than just sex, more like girlfriend sex, real loving lovemaking.

Catalina told me that she had really enjoyed herself, I felt that she had just as good a time as I did, she thanked me for being so nice to her and for choosing her to book in with. The ensuite shower was not working so she invited me to use the shower in the bathroom, and she stayed in the room to keep an eye on my things till I came back a few mins later.

Catalina is a very lovely girl, one of the nicest I have ever met in or out of a parlour. She seems a little shy and reserved at first, but in the room she really brightens up, a very passionate woman. I had a fantastic time with Catalina, my most enjoyable visit to Babes. Catalina is very friendly and has a beautiful loving and caring personality. I felt so relaxed with her, she likes a slow build up, leisurely "go with the flow" lovemaking, a definitive GFE.
