The Story:

I really couldn't believe how lovely the girls at this party were.

It was my 1st party although I have seen sable before when I was in London. She told me about parties so I had to have a look.

I walk in on a 4 girl lesbain orgy. Girls were kissing and getting very in to it. There must have only been 3 other guys there and these girls are highly sexed!

Annalise started sucking me then sable joined her and they shared my cock. Then annalise sat on my cock whilst sable was sat on my face. It was great! Then I came over both their faces. I loved fucking sable as well she has an amazing tight arse.

I had a lovely blowjob off Caitlyn who is a very sweet girl. Other highlights were Melinda and sable cum swapping. They took my cum and then swapped it between them! Joining in with Melinda's first DP experience was great as well.

All round great experience. I will definitely be back.
