The Premises:

Terry operates from a very nice, modern and clean flat in one of the more agreeable parts of Luton. If you visit her it will feel like visiting a friend and perfectly safe and discreet.

The Lady:

Terry is an exquisite mix of Thai and Filipino but the latter predominates. She is in her very low twenties with lovely light tan, silky smooth skin and a small lithe body to die for!

The Story:

Terry is an absolute delight. She obviously enjoys making love and by the end of our all too brief time together I thought I had died and gone to heaven!

All the normal personal services are on offer although you must respect her limits in the oral department as she saves this particular delight for her boyfriend - lucky man.

As for me I had no trouble in coming twice and actually found it difficult to make the Old Man go down prior to leaving - so horny is this little minx :-)

I have no hesitation in putting her near the top of my all time top ten and fully intend becoming what I suspect will become a growing band of regulars bewitched by her charms and sexuality.
