The Story:

Debbie's has been voted the best massage parlour in London and I would have to concur. The difference is that Debbie's is always fun to visit - the maids are friendly, the girls are friendly, a shower is always available, and there's never any rush.

The essence of a good GFE is to be made feel that the girl is really enjoying your company for the 45 minutes you are together - of course it's role playing but it works every time. From the moment Lucy came in to the room right up to our goodbye kiss I felt really comfortable with her and that we were both enjoying a very pleasurable experience together.

Some highlights: extended reverse oral and sixty-nine, then cowgirl, doggie and mish to completion. But that doesn't convey the delicacy of Lucy's touch, the tenderness of her kisses, or the warmth of her smile.

Lucy is truly a generous and affectionate person who likes to give and receive pleasure and I greatly enjoyed the time I spent with her. Very highly recommended - and I hope to see her again before too long. Thanks Lucy!
