The Lady:

Lady M. Beautiful Indian lady with great body and fantastic ass.

Gina Czech blonde who is very gentle and sensuous

Serene. Slim, blonde, French, excitable, frenetic but completely mesmerizing

Michaela unfortunately a last minute cry off. As there were only 5 of us, not a problem and a perfect way to entice Lady M to join in!!

The Story:

I am writing this field report as this was my 10th visit and felt I should mark the anniversary with one! As you might imagine, I am slightly biased. I am not going to say it's the best as I have not been to any others and what's good for me may not be what you are looking for. All I will say is its bloody good and I don't need to look elsewhere. Nor am I going into graphic detail about the sex. Although it is great, I am sure it is at other parties. The reason I go to Lady Ms is the ambiance. I travel all over Europe and I am in London once or twice a month. Instead of sitting in an hotel of an evening, I go to Lady Ms. Good company, good food and drink, good conversation and great sex. Does it get any better?? This particular evening, she was supposed to be not playing, only hosting. She was joined by Moss and the evening was like sitting with a crowd of friends, shooting the breeze interspaced with horny group sex. I said she was supposed to be not playing, only hosting but with a little persuasion, she soon joined us in the bedroom, using her strap on to great effect with on Serene.

I like it because the ratios are always adhered to and the company is great.

I will post on my 20th visit!
